A big thank you! 6

Welcome to our Newsletter

Welcome note from our General Manager Jenny Courtney

Hope you enjoy reading our Newsletter there has been so much happening in BYC and we really want to share it with you. It has been amazing to have so many children and young people involved in our programme of activities. As you will see from some of the photos our children and young people seem to have really enjoyed taking part in a wide variety of programmes here in the club so far this year.

As we enter into our Autumn/Winter programme we have so much still on

offer. If you want to know more please reach out to a member of our team.

A massive **thank you** to our funders and corporate and philanthropic partners who support us to deliver our programmes and to our corporate fundraising committee who work tirelessly on our fundraising efforts. **Without you guys none of this would be possible.**

Summer Programme

72 Day Trips this summer

**“We are
all in this
together”**

Our Summer was jam packed with activities, see if you can spot a familiar face!

We visited and participated in the following :

Dublin Zoo, Bray, Emerald Park, Clara Lara, Malahide Castle, Aquatic Centre, Jump Zone, Leisure Plex, Football Golf, Driving Range, Portmarnock Beach, Fairview Park, Scrumdiddly's, Cinema, Bowling, Dead museum, Bord Gais Theatre, Howth Sea Ferries, Island Eye, Newbridge Farm to name just a few.

High School Musical live performance

At the end of May our Arts group kicked off our summer with a fantastic live performance of High School Musical in Liberty Hall Theatre, this performance showed the whole community what we here in BYC

already knew: the kids in Belvo are super Talented!

Trip to London

Our High School cast heading off to London's West End to see a show.

Day trip to the Dublin Zoo

Football stars

We participated in this year Sari Football for Unity Festival, we won for the second year running Under 12 mixed competition.

We also participated in the St John Bosco mini leagues competition where we won both junior and senior titles.

Parents information evening

We also hosted parents information evenings, it was great to see the parents, hear their stories of their time in the Belvo, and to hear how we can make BYC even better.

Garda Youth Award!

We were all very proud of our very own Brandon Coakley who won a garda youth award for the volunteer work he does with BYC and Belvedere Football Club.

What's Next

We

are now all settled back in school and our winter timetable is in full flow. We are involved in this year **The Big Scream Halloween Programme.**

A Massive Thank You

All the work we do in BYC would not be possible without the help and support of our Funders.

We had the guys from Basispoint in with us who very kindly sponsored our 17 seater minibus which we got great use from over the Summer months.

The guys in SMBC Aviation who have supported us in all aspects of the work we do, they even helped us design and produce this newsletter.

In May we held our Inaugural Golf Event massive thank you to all involved.

In September our annual BYC4Provice Cycle took place another big thank you to all who participated.

Massive thank you to CFI who supported our Arts Programme.

Lastly but no means least Thank You to CDYS & NEIC who continue to support the work of BYC.
